

**DOMESTIC VIOLENCE:**

Don't make domestic violence a secret. If you are a victim of domestic violence talk to someone you can trust. If you know someone who is a victim, help by giving your support and seek the necessary resources. You can be saving a life.

**RESTRAINING ORDERS:**

Restraining orders are a legal document that order the abuser to stay away from the victim. A court order can protect you and your children from your batterer. For temporary restraining order information and assistance call: The Barristers Project, at the Downtown Superior Court, 111 North Hill Street, Department 8, Room 246- Phone # (213) 624-3665
